

*Our vision. Your safety*

## PORTABLE EYE WASH STATION

**EPEW 6015**

- Easy installation with no plumbing required.
- Can be easily placed near most work hazards with a single bracket mounting device.
- Large 53 ltr capacity permits through flushing by providing 1.5 Lpm over the entire 15 minute flushing period required as per ANSI Z358.1-2009 and ISO:10592-1982
- Nozzles cover a wide area around the eyes. Simple strap design allows easy removal and activation for hands free flushing, leaving hands free to hold eyelids open.
- Easy-to-use design features simple, highly visible operating instructions on the unit itself.
- EN 15154-4:2009, AS 4775-2007, ANSI Z358.1-2014

### Applications

- Chemical and Pharmaceutical work sites
- Fire and Emergency Teams, Hazmat vehicles
- Remote places in Mining, Agriculture and Construction
- Disaster Management Sites
- Ideal for locations where a plumbed water source is not available.

Made in China
