TECHNICAL DATA SHEET

MODEL NO.: ESGV 120M

SAFETY VEST GREEN

- A safety vest is an article of personal protective equipment
- Designed to have high visibility and reflectivity.
- It is usually worn by cyclists, motor cyclists, traffic police and workers engaged in construction, road work, rail work and those working in ports, airports, yards, hangers, fire, rescue, emergency services and utility jobs where bad weather or low visibility may be an issue.
- A safety vest wearer is easily detected, which can help other parties avoid colliding with the individual.
